

LEGO CHALLENGE

2. Build A Maze

LEVEL UP:

- **Time Trial:** How quickly can you get the paper ball through the maze?
- **Hidden Passage:** Try to add a hidden passage in your maze.

Use a base plate and a selection of blocks to build a Maze. Can you roll or blow a paper ball through the maze?

- Will some paths in the maze be narrower than others? Will the ball fit though?
- Will you include dead ends, ramps or other challenges?
- Make a game by using a dice and mini figures. Roll the dice to take steps. First to find the way out wins!
