

LEGO CHALLENGE

6. Build A Phone or Tablet Stand

LEVEL UP:

- **Customise:** Add different types of brick, objects or mini figures to make your stand unique.
- **Book Stand:** Try the same type of design to make a stand that can hold a book.

Design and build a Phone or Tablet stand from a selection of bricks.

- Can you build it so that phone or tablet stands at an angle?
- Does the stand need to be longer for a tablet ?
- Do you need to build it on a base plate or does it need supports to take the weight of the phone or tablet?
