

# Win a Magic Show event for your Childcare Service

To celebrate Ireland Reads Day this February, **Waterford Libraries** are running a competition for all Preschools across the City and County!

Design a **bookmark** based on a favourite story or character from a story with the children in your playschool or ELC and return your entries to your local Library branch.

All playschools that take part will be entered into a draw for the overall prize of a Magic Show event at their playschool!

Return your Bookmarks to the library by February 28th.
